To the General Manager of Beazley Insurance Designated Activity Company, Dublin, Switzerland Branch Zurich, Zurich Zurich, 11 April 2023

Report of the independent auditor

Opinion

As an audit firm under state supervision, we have audited the accompanying financial statements of Beazley Insurance Designated Activity Company, Dublin, Switzerland Branch Zurich, which comprise the balance sheet as at 31 December 2022, the income statement and the notes for the financial year ending on this date, pursuant to Art. 28 (2) of the Insurance Supervision Act (ISA) and with reference to the supplementary information for audit reporting of insurance companies in Annex 19 to FINMA Circular 13/3 concerning the "Preparation and audit of the financial statements of branches of foreign insurance companies" of 4 November 2020 (Annex 19 to FINMA Circular 13/3).

In our opinion, the financial statements of Beazley Insurance Designated Activity Company, Dublin, Switzerland Branch Zurich as at 31 December 2022 comply in all material respects with the financial reporting provisions of Annex 19 to FINMA Circular 13/3.

Basis for opinion

We conducted our audit in accordance with the Swiss Standards on Auditing (SA-CH) and the framework for the audit of the financial statements specified in Section 3.2 of Annex 19 FINMA Circular 13/3. Our responsibilities under those provisions and standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the requirements of the Swiss audit profession, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

The General Manager is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

General Manager's responsibilities for the financial statements

The General Manager is responsible for the preparation of the financial statements in accordance with the financial reporting provisions of Annex 19 FINMA Circular 13/3 and for such internal control as the General Manager determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the General Manager is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable matters related to going concern, and using the going concern basis of accounting unless the General Manager either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SA-CH and Annex 19 of the FINMA Circular 13/3 will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Swiss law and SA-CH, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made.
- Conclude on the appropriateness of the General Manager's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

We communicate with the General Manager regarding, among other matters, the planned scope and timing of the audit and significant audit findings.

Management report on the financial year

Principal activities and business review

The Zürich Branch is a non-life insurance branch of Beazley Insurance Designated Activity Company (Beazley Insurance dac) ("the Company"), which is headquartered in Ireland with a branch network in the United Kingdom, France, Germany, Switzerland and Spain. In 2019, Beazley Insurance dac received authorisation from FINMA and the Central Bank of Ireland to open a branch in Switzerland. The branch has licences across the following classes;

- B1 Accident
- B3 Land vehicles
- B5 Aircraft
- B7 Goods in transit
- B8 Fire and natural forces
- B9 Other damage to property
- B11 Aircraft liability
- B13 General liability
- B16 Miscellaneous financial loss

The branch had no employees in 2022. There were no extraordinary events noted in 2022.

Gross written premium grew strongly in 2022 in line with expectations increasing 52% to CHF 8.1m (2021: CHF 5.3m) with positive rate movements in Cyber and Property lines. Following some higher than expected claims activity in 2021, the branch's net loss ratio was more in line with expectations in 2022. This improved claims experience contributed to the branch making a profit

Future developments and prospects

The branch aims to grow its premium volumes in 2023, focusing on Cyber and Property Treaty risks.

Risk Assessments

Due to the nature of its activities, the principal risks of the branch are aligned with those of Beazley Insurance dac and the wider Beazley Group and include:

- Insurance risk
- Market risk
- Operational risk
- Liquidity risk
- Credit risk
- Group risk
- Regulatory and legal risk
- Strategic risk
- Enterprise risk

Risk Assessments (continued)

The branch is included in the Company's and the Beazley Group's risk management framework, within which risk appetite is defined, risks assumed are identified and managed and key controls are implemented and monitored.

The Company and the Beazley Group continues to monitor the impact of climate change, the war in Ukraine and the current volatile macro-economic environment (including inflation and recession risk) as part of the above risks.
